Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BARBARA AL SOLE; WORDS OF LOVE AND FREEDOM: AN ANTHOLOGY BY GODFREY BRANDT

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Barbara al Sole is Brandt s second published anthology. It contains a selection of poems including the title poem, inspired by an amazing watercolour painting by Franco Gioni, the Tuscan/Italian painter. [My thanks to him for allowing me to use his painting, which I am pleased to own, on the cover of the book.] The other poems, on the theme of Love and freedom touch on the difficult issues of romantic and other kinds of love and the vicissitudes of contemporary socio cultural relations. The land of gates explores both themes and is inspired by Brandt s recent travel to Enugu where he saw an array of Gates, aesthetically adorned but carrying out a much more prosaic function. It features the poem You ll rise , inspired both by Maya Angelou s poem I rise and his amazingly inspired and highly motivated god daughter Shani Page-Muir. Finally, of note, is the poem Prorogue a poem which highlights the then current problem being experienced by the Guyanese people when its minority government, in one of the few occasions in recent history, prorogued parliament precipitating a national and international crisis of confidence in the serving leadership of that troubled country - a step challenged by the country that invented it, Great Britain. In keeping with the practice laid down by the first anthology, Madiba and Other Poems, this anthology includes an extract of Brandt s prose from his forthcoming novel. Trail of the Lost Jaguar, soon to be published.
