## PHYSICAL DREAMING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Physical Dreaming is about me and the world. It is about what may be invisible. It is about people and places that may have had influence. Physical dreaming is something to do with the fact that we may all be dreaming, even though there is still a body! Of the physical variety. In waking dreams and sleeping dreams there is much going on. And I hope that some of my poetry points towards something that may be free of all dreaming. Enjoy!.
