Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Government Looks at Privacy and Security in Computer Systems: A Summary of a Conference Held at the National Bureau of Standards, Gaithersburg, Maryland, November 19-20, 1973 Any potential confrontation between society and technology over problems of individual privacy and data confidentiality can be defused by understanding and action. The Conference on Privacy and Computer Security has contributed to both by providing an initial statement of governmental needs and problems and suggesting a broad range of activities for satisfying them; we hope this Conference report will serve as the foundation for a continuing dialogue among the government, automation industries, service industries, and the consumer which will lead to a refinement of this statement and the assumption of relevant responsibilities for achieving effective solutions.
