Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

MOMENTS TO REMEMBER 1957: TEENAGE LIFE IN THE 1950S (PAPERBACK)

Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Before rap, cell phones, the space program, or The Beatles - there was the Fifties! Remember drag racing and hanging out at the malt shop? Want to relive those innocent days of going to the Sock Hop and the drive-in on a Saturday night? It's the summer of 1956, and how teenagers lived and loved and played, when James Dean was the coolest and rock n roll was the only music worth listening to, comes to life in Moments to Remember 1957. In a small town in the Midwest, at Indian Falls High School, we meet the greaser and the misfit, the farm boy and the girl next door, and the dreams they thought were made in the shade. Here's a slice of American life - both good times and bad - that will have you digging up your old 45s, sipping on some cherry Coke floats, and wondering what happened to all the friendships that were going to last forever.
