

Microeconomics: Principles, Applications and Tools plus NEW MyEconLab with Pearson eText (1-semester access) -- Access Card Package (7th Edition) (The Pearson Series in Economics)

Book Review

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though I am quite late in starting reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Aliya Franecki)
