Idea Books, New York, 1994. Softcover. Book Condition: New. First Edition.. 202 pages. Softcover. New book. FASHION. One of the richest fabrics known to man, velvet is today more in fashion than ever. Courtouriers and street designers favor its softness and lustre, but it has been famed throughout the ages for sumptuous elegance. Velvet is the story of this ostentatious fabric, in fashion, furnishing, art and design. Clothes from every period are featured, from the Middle ages to the latest collections by Givenchy and Montana. Paintings and photographs illustrate velvet's use in upholstery, or as hangings in palaces, theatres and opera houses. Types, techniques and processes are fully documented. Now it is presented in a book which is as rich as its subject. Includes the following essays: "Luxury and Practicality: The thousand faces of velvet for clothing" by Roberta Orsi Landini, "Velvet in Fashion: From the Thirties to the Present" by Aurora Fiorentini Capitani and Srefania Ricci, " The Color of Ruby Red" by Luisella Pennati, "Techniques and Types of Velvet" by Roberta Orsi Landini and Alfredo Redaelli, and "The Evolution of the Velvet Loom" by Alfredo Redaelli. (Key Words: Vevet, Fabrics, Fabrizio De' Marinis, Roberta Orsi Landini, Fashion, Aurora Fiorentini Capitani, Srefania Ricci, Luisella Pennati, Alfredo Redaelli). book.
