

## Buddhism, Sexuality, and Gender (Paperback)

By -

State University of New York Press, United States, 1991. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book explores historical, textual, and social questions relating to the position and experience of women and gay people in the Buddhist world from India and Tibet to Sri Lanka, China, and Japan. It focuses on four key areas: Buddhist history, contemporary culture, Buddhist symbols, and homosexuality, and it covers Buddhism's entire history, from its origins to the present day. The result of original and innovative research, the author offers new perspectives on the history of the attitudes toward, and of the self-perception of, women in both ancient and modern Buddhist societies. He explores key social issues such as abortion, he examines the use of rhetoric and symbols in Buddhist texts and cultures, and he discusses the neglected subject of Buddhism and homosexuality.

### Reviews

*This publication is indeed gripping and interesting. It is really exciting through reading period of time. I am just happy to inform you that this is the very best publication I actually have gone through during my individual existence and could be the finest pdf for ever.*

-- **Miss Lela VonRueden**

*The book is straightforward in read safer to recognize. This really is for anyone who states there had not been a worthy of looking at. You may like just how the blogger created this publication.*
