Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Poems inspired by Japanese, Hindu, Tibetan and Zen Buddhist death poems. The philosophy of James Hillman also figures prominently in the author s perspective and non-traditional view on death. Contrast against the twenty-first century American desire to live forever and a quarter century of the endless Gulf wars, these poems are starkly fatalistic, presenting death as merciful release from the pain and suffering of this world; the prospect of that death a dream for some, and a nightmare for others.
