

## Fluids and Electrolytes Demystified, Second Edition

By Joyce Y. Johnson

McGraw-Hill Education / Medical. Paperback. Condition: New. 304 pages. A fun, fast, and effective way for nursing students to learn about fluids and electrolytes. Written by a nursing professor, this accessible guide explains, clearly and concisely, the key elements underlying fluid, electrolyte, and acid-base balance and imbalances. Readers will learn about the various health conditions related to imbalances and get details on diagnostic testing, regulators, and treatment options. Complete with end-of-chapter quizzes to test knowledge, this lighthearted book will teach nursing students the fundamentals of fluids and electrolytes in an enjoyable, building block manner. Learning objectives at the beginning of each chapter. An NCLEX-style quiz at the end of each chapter reinforces learning and pinpoints weaknesses. Includes coverage of diagnostic tests and treatment options. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.*

-- **Raina Simonis**

*Comprehensive guide for publication lovers. it absolutely was writtern really flawlessly and valuable. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for concerning if you ask me).*

-- **Rowan Gerlach II**
