oscesmart in orthopaedics rheumatology Practice vignettes, histories and mark schemes for your finals. This book takes a fresh approach to passing Orthopaedics Rheumatology OSCE exams by emphasising on the importance of practicing clinical vignettes with fellow candidates as a team and experiencing the virtue of OSCE role-play. Presented is a range of fifty scenarios divided into five main chapters, demonstrating the breadth and variety of clinical experience you could expect from Orthopaedics Rheumatology. Focused history, examinations, skills data interpretation, emergency cases and communication stations are covered in depth by authors who have been through the process. The book has clear, step-by-step guides to each clinical station followed by key tips to remember just before you sit the exam, providing a concrete base for students to excel upon. Working through all the cases in this book will not only make you prepared for OSCE stations in Orthopaedics Rheumatology but will also make you more confident handling the common clinical scenarios in your future career.
