As voted at the last town meeting the inside of the town hall was refinished last summer with plywood, and the interior and windows painted. We feel that the town should continue to raise a little extra money each year until the building is put in better shape throughout. Two outstanding needs are a paint job outside, and a new heating system. The paint job can be handled with the \$2700 recommended in the warrant. A new heating system will require a larger investment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
