Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Brand New Book ***** Print on Demand *****.The Last Bature is a policeman s story set in Nibana, an imaginary West African state, shortly after gaining its independence from the British in 1962. What begins as a straightforward investigation by the last British policeman in the Northern Region, and an African police inspector, quickly turns to intrigue when the intelligence services of the superpowers vie with each other to secure a breakthrough in weapons technology. Combine this with the machinations of an irrational regional military governor hell-bent on overthrowing his brother, the head of state, and the basis for an exciting story emerges. With the cold war as a backdrop and a second coup imminent, the action moves quickly from the heat of the Omdu Hills, through the stench of the Laguna slums to the waters of the Bight of Laguna, giving the reader an insight into the grubby world of espionage and life in West Africa during the turbulent sixties.
