

Time Signatures

By C.B. McCully

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Time Signatures, C.B. McCully, "Time Signatures" is Chris McCully's first book of poems. It reflects his fascination - as student, scholar and theorist with the procedures of writing verse, especially with rhythmical and metrical structures. The subject-matter here is drawn from the full range of his preoccupations - fly-fishing, teaching, travel, desire and loss. The work is neither "new formalist" nor "post-modern" but rooted in the history of the language and its verse traditions.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This book is indeed gripping and interesting. It really is really exciting through studying period. It's been written in an extremely easy way and is particularly merely soon after I finished reading this book through which in fact changed me, affected the way I think.
