Brand New Book ***** Print on Demand *****.Excerpt from A Silver Symposium: Being an Analysis of the Money Issue; Containing Vital Facts on Free Coinage With Unanswerable Questions Affecting This Campaign Recognizing that the money question has been forced by events into a prominence which makes it one of the two leading political issues of the day, and having clearly and forcibly expressed its own views upon what it esteems the folly and utter impracticability of free coinage of silver, The Dispatch does not hesitate to give full publicity to anything that can be said upon the other side. For this reason it cheerfully prints the letter of J. W. B -, which appears this morning in another column, as that letter exhibits about as well as any other the line of thought upon which the silver people have been making their appeal to the public. Boiled down to briefest space, it is merely that President Cleveland, when he took his stand three years ago against the continued purchase of silver, promised good times if the purchase act were repealed, and good times are not here; that the people who have suffered from bad times are disgusted with the failure of the President s predictions of prosperity and would sweep the field for the silver party as completely as did the cyclone St. Louis the other day if a plebiscite were ordered; that the party leaders, both Democratic and Republican, have been insincere as the Roman augurs of old, and inconsistent in their handling of the money question; that the business interests are now sneering at the silverites in place of arguing with them seriously; that there should be a tariff to protect silver...
