

AIDS to English Composition, Prepared for Students of All Grades: Embracing Specimens and Examples of School and College Exercises, and Most of the Higher Departments of English Composition, Both in Prose and Verse

By Richard Green Parker

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Aids to English Composition: Prepared for Students of All Grades; Embracing Specimens and Examples of School and College Exercises and Most of the Higher Departments of English Composition, Both in Prose and Verse I r would be presumptuous in any author to attempt to give rules, or to lay down laws, to which all the departments of English Composition should be subjected. Genius cannot be fettered, and an original and thinking mind, replete with its own exuberance, will often burst out in spontaneous gushings, and open to itself new channels, through which the treasures of thought will flow in rich and rapid currents. Rules and suggestions, however, are not wholly useless. They encourage the dith dent, and give confidence to those whose want of conversance with approved models renders it necessary for them to rely on foreign aid. In the volume to which this book is designed as a sequel, the author has attempted to render assistance in the removal of the two obstacles which beset the youthful writer in his first attempts at composition; to wit, the difficulty of obtaining...

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
