

The Finer Points of Becoming Machine

By Emily Andrews

Saddleback Educational Publishing, Inc., United States, 2012. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Themes: Hi-Lo, Suicide, family dysfunction. This is a series for young adults who find conventional fiction irrelevant or too hard to read. The series takes an honest and hard-hitting approach to subject matter that many teens will identify with, such as self-abuse, family breakdown, suicide, and sexuality. At 25,000 to 35,000 words, the books are shorter than your average novel, but still look like a trade paperback. The clear, carefully chosen font is slightly larger than normal, and paragraphs are broken with a space. Themes Include: suicide, family dysfunction - Everyone wants to know why Emma tried to kill herself, but she s not telling. First she needs to confront her own past. And then her dad comes visiting.

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be he greatest ebook for actually.
