Kraus/Quarto Publishing, London, UK, 2002. Hard Cover/Spiral. Book Condition: New. First Edition, First Thus. BRAND NEW Copy. Illustrated boards w/backstrap-protected spiral bound text. Superlative reference/resource for knitters. Dictionary of 250 traditional and contemporary stitches with lucid instructions, charts, and color photographs. Stitch patterns range from the elegant and simple to the complex and ornate. There are several fine dictionary/encyclopedia of knitting stitches of equal depth in coverage, but in terms of clarity of presentation, visual pleasure, sensibility of format, intelligence of book design (frequent use without the book falling apart), this book stands apart. Pertinent to note there is a companion volume: *The Embroidery Stitch Bible*.
