It is now time for the world to know of me, that I exist, and I hope to be remembered when I die. I dare to be vintage before my time. Someone once told me that I was a rare person and I should be heard. I might speak with a soft voice, but my poems speak loud for me. In this collection, I have meshed favorite poems I have written. The poems contain the works of Speechless, The Reveries of a Lost Soul, The Chaotic XXV, and Nostalgic Ink. I wanted the people to have my diary in whole and that is how I came up with Vintage before I Die containing my deepest thoughts.
