On Demand Publishing, LLC>Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.No student of influence should be without this historic philosophy book on leadership and self-growth. Eminently quotable and full of practical advice for those who pursue success, As a Man Thinketh is an essential book which explains and promotes the direct connection between our thoughts and our happiness. James Allen reveals how our thoughts shape our character, and manifest themselves in our finances, health, appearance, and environment. The choice is yours: either master your thoughts and create the life you want; or remain mired in negativity, frustration, and failure. As we think, so we become. This fundamental truth, which some have called The Secret or the Law of Attraction, was clearly and convincingly argued for the first time in James Allen s masterpiece. Do you believe in the power of positive thinking -yet remain unclear as to how that power can be harnessed in your life? As a Man Thinketh explains and promotes the direct connection between what we think and the direction our lives take. Part of the New Thought Movement, Allen reveals the secrets to having the most fulfilling existence possible, and it s easier than any of us could have imagined. You, too, can learn how to master the output of your brain in order to obtain the personal success of which you have always - until now - merely dreamed. This is the original unabridged English version updated for the modern reader. Read it, and take control of your destiny today.
