The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt from Immediate Revelation: Being a Brief View of the Dealings of God With Man in All Ages, Showing the Universal and Immediate Agency of the Holy Spirit Under Different Dispensations; And That the Christian Is Especially Authorised to Expect Immediate Communications of the Divine Speculative inquiries, respecting the original perfection of man, and into the causes which destroyed it, and impressed on the soul imperfection in its stead, are seldom productive of benefit: on the contrary, they tend to render obscure and dubious that which is self-evident and certain. No further remark, therefore, will be made on this subject than that the image of God, in which, the Holy Scriptures inform us, man was created, could only consist with righteousness and true holiness.³ But although speculation respecting these things is of no practical importance, few doctrines are more so than the state of the natural man. Soon after his creation, man was placed in a situation of trial. The penalty attached to his disobedience was stated in the following words In the day that thou eatest thereof thou shalt surely die.³ This passage clearly declares that death should be the sure and immediate consequence of transgression.
