NATURE MAGE

[DOWNLOAD](#)

Paperback. Book Condition: New. Not Signed; Gaspi is an ordinary boy, living in the mountain village of Aemon's Reach, but life, for Gaspi, is forever changed the day magic erupts in him. He discovers he has a powerful gift - he is a Nature Mage, able to control natural forces and creatures and bend them to his will. It is a rare gift, and no-one has been born with it in centuries, but Gaspi's powers also have a dark side, and without training they will kill him. He is forced to leave his home and travel to the distant city of Helioport, where the Archmages of the College of Collective Magicks will teach him how to use his powers. Accompanied by his guardian and his best friends, Gaspi sets off on the long journey to Helioport. The journey is fraught with danger, and Gaspi and his friends discover that there are demonic creatures abroad, intent on finding and killing anyone with magical ability. As Gaspi begins his magical studies, a shadow hangs over him and over the city of magicians. Gaspi's story of a demonic attack is not an isolated incident. As these stories increase, Hephistole, the Chancellor of the college, is growing increasingly certain that someone or something is directing the demonic forces, but who, and to what end? As things unfold, Gaspi finds himself in the middle of dark and terrible times, and can only hope that his powerful gift will develop in time to make a difference when the time comes. book.
