National best-selling author Barb Hendee returns to the world of the Mist-Torn witches as two sisters who can see the secrets of the past and the mysteries of the future begin a quest to save the family they never knew existed. Powerful Prince Malcolm is facing ruin in the wake of a curse that has destroyed his harvest. He blames the band of nomadic Mondyalitko who summer in the meadow below his castle - and he is determined to root out the people who caused the blight by any means necessary. When Celine and Amelie Fawe, descended from the Mondyalitko, learn that their mother's people are under suspicion of sabotage and treason, they set out to use their magical gifts to save their estranged relatives and learn about their own origins. Now it's up to the sisters - along with their motley escorts, including a prince's lieutenant, a shape-shifter, and an old woman with a murky past - to discover the source of the curse, restore life to the ravaged land, and protect the innocent from unfair vengeance.
