paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 424 Publisher: Hebei University Press Pub. Date :2009-08. The first feature of the book is a highly practical. Since the author participated in most of the professional film and television scoring or admissions test and work status for the video professional. dynamic. well aware of examination requirements and precautions. Candidates for the specific characteristics of the knowledge structure. to individualized for the purpose. professional film and television theory. large and small to tiny details of the interview. are written into the staff s understanding and experience. into his own personal experience and experience. This is Ben Taoshu similar counseling and general book the biggest difference. Another feature of the book is scientific and systematic. Sub-director and broadcast over the book in two volumes. each volume constituted by the nine chapters. covering the entrance art director and radio host of professional test all aspects of the content is very comprehensive and detailed. Such as: directing the first volume begins with chapters into the visual arts. involving foreign radio. television s development history. can make the candidates understand the context of the development of several art forms. while a brief introduction to the basic characteristics of visual arts for more candidates good to learn the profession has a good cushion effect. In the second chapter. director of professional knowledge. where the author combines his years of work experience in media. film and television director for the candidates to introduce a professional features. quality requirements and the direction of future employment. so that candidates for the profession have a better understanding. Art of common sense. a chapter for the art involved in the interview prepared guidance material sense. encompassing film. literatureFour...
