SIMON SCHUSTER, United States, 2005. Paperback. Condition: New. New ed. Language: English . Brand New Book. You drive for show, you putt for dough . This old saying is familiar to all golfers and Bob Rotella, one of the foremost authorities on golf today, is a firm believer in its truth. In Putting out of Your Mind he reveals the unique mental approach that great putting requires and helps golfers of all levels master this essential skill. Much like Golf Is Not a Game of Perfect and Golf Is a Game of Confidence, Putting out of Your Mind is a resonant and informative guide to achieving a better golf game. While most golfers spend their time trying to perfect their swing so they can hit the ball further, Rotella encourages them to concentrate on their putting, the most crucial yet overlooked aspect of the game. Great players are not only aware of the importance of putting, they go out of their way to master it. And of course mastery begins with an understanding of the attitude needed to be a better putter. Rotella's mental rules, which have helped some of the greatest golfers in the world to become champion putters can now work for golfers everywhere. With everything from true-life stories from some of the greats to dozens of game-changing practice drills, Putting out of Your Mind is the new bible of putting, and is sure to bring about immediate results for anyone who plays the game.
