Unquestionably, this is the best work by any author. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this PDF to find out.

I suddenly feel very differently about my forthcoming operation." In July 2012, aged thirty, Juliet Jacques underwent sex reassignment surgery-a process she chronicled with unflinching honesty in a serialised national newspaper column. Trans tells of her life to the present moment: a story of growing up, of defining yourself, and of the rapidly changing world of gender politics. Fresh from university, eager to escape a dead-end job, she launches a career as a writer in a publishing culture dominated by London cliques and still figuring out the impact of the Internet. She navigates the treacherous waters of a world where, even in the liberal and feminist media, transgender identities go unacknowledged, misunderstood or worse. Yet through art, film, music, politics and football, Jacques starts to become the person she had only imagined, and begins the process of transition. Interweaving the personal with the political, her memoir is a powerful exploration of debates that comprise trans politics, issues which promise to redefine our understanding of what it means to be alive. Revealing, honest, humorous, and self-deprecating, Trans includes an epilogue with Sheila Heti, author of *How Should a Person Be?*, in which Jacques and Heti discuss the cruxes of writing and identity. | Format: Paperback | Language/Sprache: english | 343 gr | 197x132x24 mm | 320 pp.
