Folded Word, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In this collection of 20 haiku, Ben Moeller-Gaa takes us on a cyclical journey through what initially appears to be a typical Midwestern year. He notes the changing of the seasons and the effect those seasons have on human activity: snow to be shoveled, seeds to be planted, blooms to be weeded, fallen leaves to be raked. Ben s haiku capture these everyday things, but with twists that reveal how the seemingly-everyday can send life spiraling forward through the circle of time. Wasp Shadows is a subtle thrill. [Ben s] word choice is as careful as the brushstrokes of the accompanying calligraphy. I happily recommend this chapbook to any poet or to any observer of the natural world. -Allison Cundiff, poet and author of IN SHORT, A MEMORY OF THE OTHER ON A GOOD DAY (Golden Antelope Press 2014).
