Penguin Putnam Inc, United States, 1995. Paperback. Condition: New. Jove. Language: English . Brand New Book. Peaceful Pear Island is perfect for fishing, relaxing, boating - and committing murder. Jim Qwilleran, Koko, and Yum Yum get more than they bargained for when they begin to investigate several accidents. The development of a major resort complex at the southern end of Pear Island, affectionately known as Breakfast Island, is turning the town upside down. Local residents, summer people, and mainland fishermen are all hopping mad that the peace of their retreat is being shattered. But who is angry enough to murder? When a cabin cruiser explosion in the marina sets off a series of accidents, Qwilleran begins to wonder if sabotage is involved. But he has his work cut out for him. There are plenty of suspects, plenty of motives, and plenty more accidents occurring. Can Qwill and the cats uncover the murderer's identity before they become the victims of one of the many mishaps plaguing Breakfast Island? With Koko and Yum Yum on the scene, you can bet that the mysterious events on Breakfast Island will be exposed. But will it happen before someone else is killed?.
