Excerpt from **The Miracles of Prayer: A Sermon Preached Before the University, in the Cathedral Church of Christ, in Oxford, on Septuagesima Sunday, 1866** First then, in effect, God does through man s acts become other to him than He was before. The voice of conscience echoes the voice of God s law, that we sinners, while we remain sinners, are the objects of God s displeasure. Conscience cries aloud, enforces it she reiterates it, when silenced; she awakens in agony, when she has been stupefied; and, even when deadened and buried under accumulated sin, she lives anew by a spiritual resurrection. When our Lord s voice of power, Lazarus come forth, has penetrated the dead soul, and with penitence for its own ingratitude, has infused love for its Redeemer, and He, by Himself or by His minister, has said, Son, be of good cheer, thy sins be forgiven thee, the soul knows and feels that its relation to God and God s relation to it are changed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
