C.J.Terry Books. Paperback. Condition: New. 186 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Within the span of thirteen months, author Paul Stefaniak had three life-altering experiences that propelled him into a lifelong spiritual journey. Guided by two visions, he led a mission to rescue a family of six whose car had crashed down a snowy hill. Some time later, he nearly drowned in a river, spoke to God with his last breath, then seconds later materialized on dry land upstream. Finally, his mother awoke from a coma to reveal that she had spoken to his deceased father. When his mother passed on, Stefaniak refocused his grief and confusion toward study, research, and meditation. A few months later, he made contact with the Other Side. He eventually learned to overcome his fears and generate ongoing contact with his guardian angels, spirit guides, and departed loved ones. And so can you! Read about all of his amazing and illuminating experiences, quotes from his angels, and truths he has learned from the afterlife; then, be inspired to take a few simple steps to awaken your own spiritual abilities. It will erase any doubt regarding life after death, eliminate fears of the unknown, and provide peace of mind and hope of reuniting with family and friends in Heaven.
