

Operative Oral and Maxillofacial Surgery (Mixed media product)

By John Langdon, Mohan Patel, Peter Brennan

Taylor Francis Ltd, United Kingdom, 2011. Mixed media product. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Operative Maxillofacial Surgery was first published in 1998, and within a very short period it became the standard text for trainees in oral and maxillofacial surgery preparing for their exit examinations. For this second edition, the contents have been extensively revised not only to include all aspects of oral surgery but also to reflect the changes in maxillofacial practice that have occurred since 1998. In particular, the role of osseointegrated implants, the management of craniofacial trauma and facial aesthetic surgery including cosmetic surgery and bone distraction have all moved on since the first edition was written. The editors have made a careful selection of contributors representing current practice from throughout the world including continental Europe, the United States, Asia and Australia. Operative Oral and Maxillofacial Surgery represents international best practice in the specialty. Each chapter has been written by an internationally recognised expert and represents a how I do it master class. It is illustrated with clear line diagrams supplemented where appropriate with clinical photographs showing the essential steps in all the surgical procedures in current clinical practice. Authors have...
