Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Frances Stein is too smart for her own good. Often overlooked, she is lonely and dreams for attention as she spends her time at Yale, working with Dr. Hoffman, an older, brilliant scientist. One day, they make an amazing, life-altering discovery, which gives them the ability to bring the dead back to life. They decide to steal two bodies, one for its physical condition and the other for its intelligence, then place the superior brain in the superior body in order to make the perfect man. Once he is restored to life, Francis as they name him, begins a relationship with his creator Dr. Stein. From there, events begin to spiral out of control, bringing up the question, can man play God, or should he? Loosely based upon Frankenstein by Mary Shelley, this novel will entertain and provide food for thought.
