Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thirty-something failed cartoonist, Faye Jensen, finally has her sh*t together -- or does she? With a sudden layoff leaving her unemployed and evicted, she finds herself back in her home town and living with her topless-yoga loving mom. To top it all off, Faye discovers that her loyal boyfriend has pictures of another girl s hoohah on his phone. So much for having your sh*t together. Faye decides to take it like a champ -- by wallowing in self-loathing and revenge fantasies. Still, coming home has its perks. Meet Stellan Odegard; a 6'4" MIT dropout and ninjitsu instructor who isn't too keen on Faye s pity party. As Faye s oldest friend, Stellan drags her out of her funk with pizza, Billy Idol, and an intriguing project that forces Faye to pick up her sketchbook for the first time in a decade. But as the spirit of art heals Faye s soul, she finds herself dreaming of her old buddy in a new and unexpected way. If only Stellan felt the same way about her. CATCH MY FALL is a part laugh-out-loud, part heart-wrenching tale of eccentric billionaires, cartoon monkeys, and the art of Cyndi Lauper hairstyles. It reminds us to always follow what makes the heart sing and that it s never too late to decide what you want to be when you grow up.
