## WOMEN WRITERS, VOL. 2: THEIR WORKS AND WAYS (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 336 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Excerpt from Women Writers, Vol. 2: Their Works and Ways The First Series of Women Writers: their Works and Ways has been so favourably received that I am encouraged to offer the Second Series, in the hope that it may be found equally interesting. My object is the same - to give the life-stories of some celebrated authoresses, to tell how they gained success, and how they enjoyed it. As we advance farther into the nineteenth century, we do not find that gaiety, that intense joy of living which are so characteristic of Fanny Burney and Lady Morgan. Our women writers have become less amusing ; they are terribly in earnest, much impressed with the seriousness of life, and with difficult social problems. I am well aware that many notable names have been unavoidably left out, so many that, in course of time, it may be necessary to add a Third Series of Women Writers: their Works and Ways. I have taken great pains to ascertain correct dates. In almost all the short biographical notices of Mrs. Hemans the date of her birth is given as 1794, on the sole authority of Mr. W. F. Chorley, who only knew her during the later years of her life. Her sister, Mrs. Hughes, in her memoir of Mrs. Hemans, says distinctly 1793. She had the best opportunity of knowing, as the sisters were brought up together, so her authority seems to me quite conclusive. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
