A CLIMATE CAROL IN RHYME: BEING A GHOST STORY OF OUR CLIMATE (PAPERBACK)

BookBaby, 2017. Paperback. Condition: New. Chris Matthews (illustrator). Language: English . Brand New Book. Do you think climate change is NOT a Chinese hoax? Are you concerned that Trump is foolish enough to believe wind power is a bigger threat to birds than climate change? Would you enjoy reading a smart, snarky takedown of Trump s willful ignorance on climate change? Do you have an extra \$5 lying around? If you answered yes to any of these questions then A Climate Carol in Rhyme is just the book for you! A Climate Carol in Rhyme is a satire that tells the story of Ebenezer Yooge, a man who seemingly knows and cares little about climate change. In the style of Dickens, Yooge is visited by three ghosts who tell him about Earth s climate s past, present and future, hoping to persuade him to take climate change seriously. Read what critics are saying: This book is funny and entertaining. Who knew you were so creative? You should call more. S. Angrist, the author s mother. Also, makes a great gift for that climate change denier in your life.
