Brand New Book ***** Print on Demand *****.Protagonists for an Empire The Seven Years War as it was fought in the New World is known today as the French and Indian War. The significance of the global conflict of which it was a part is now often underestimated, but its outcome essentially decided which nation-indeed which language-would be the most dominant for centuries to come. The British and Colonial forces were led by a number of notable commanders, but one, Major-General James Wolfe, is perhaps the most well known. He was a remarkable figure, slight, frail and in his late twenties when the war was declared, though he had already seen campaigning in the Jacobite Rebellion, the War of Austrian Succession and at Louisbourg by the time of his notable victory at Quebec. His opponent, one of the most notable French military commanders of his time, Louis-Joseph de Montcalm, achieved notable success in his campaigns in America, but in 1759, after the British had momentarily scaled the Heights of Abraham at Quebec, he was brought to battle by Wolfe and the French were so...
