Balboa Press, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With its striking visual messages and loving words of wisdom, this insightful book presents the love and healing influences that co-exist simultaneously with the war-rrior stimuli that create rage, chaos and conflict in our everyday lives. Our moment to moment choices allow these energies to manifest themselves and create the now and future of our intent. It is a loving communication . an open invitation from Angelic Source Energy to examine closely how we think, for in every given moment we are channels for a constant, dynamic and fluid creating power that manifests our material world. The paintings in Symbols of the White Dove provide the reader with a detailed, graphic representation of what it is that we reach out to with the power of our thoughts, vis-a-vis our relationship to light and dark, and how, in a dualistic setting, we are firmly linked to both. Offering a rare symbolic perspective tailored to bring into 3D awareness all that we give our attention and intention to, the images clarify the importance of forgiveness and the release of all that we think that we are not, and reveal more of all that we are. More significantly, it will allow you to unravel the truth and wisdom of your own heart s journey and better appreciate the singular uniqueness and design of all human expression, whatever the face it wears. Beautifully set down through art and text, Vanessa Brownbridge s messages teach fulfillment through compassion, transcendence through forgiveness, and truth through the divine vitality that produces and restores life-love. The inspirational experiences in Symbols of the White Dove journey through a global negativity rendered powerless by our refusal to...
