Therapist into Coach

By Smith Julia Vaughan

Open University Press. Paperback. Book Condition: new. BRAND NEW, Therapist into Coach, Smith Julia Vaughan, How does coaching differ from my current work as a therapist? If I became a coach, what additional skills and expertise might I need? What sorts of markets might I work in and what sort of income could I expect? What are the implications if I decided to run a mixed practice of coaching and therapy/counselling? This book is written for qualified and experienced psychological therapists who are interested in what coaching may have to offer their clients or their practice. It considers what coaching is, the routes by which people have become coaches, the coaching client, coaching methods and the issues within running a mixed practice. This includes a thorough exploration of the points of difference between therapeutic and coaching models, including the nature of interventions, mind set of the coach and the structuring of the process. Aspects of therapeutic models which are inappropriate for coaching are highlighted as well as the elements which add a richness to it. There are examples of dialogue between coach and client and short case studies throughout the book which illustrate the coaching process and exemplify the 'voice...

Reviews

Very good eBook and valuable one. Better then never, though i am quite late in start reading this one. I am very easily could possibly get a satisfaction of reading through a created publication.
