Clink Street Publishing, 2017. Paperback. Condition: New. Brian Bicknell (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Preceded by Chaos is an illustrated short story. The protagonist, Mitchell Weaver, is a young Emergency Medicine doctor. Mitchell has entered a high stress, distinguished profession with the burden of a variety of particularly disturbing personal demons that he must battle every day in order to maintain the facade of sanity and control. The second installment of the series, Volume +1, documents Mitchell's state of mind as he tries his hand at decency and sobriety. Whether he finds himself at his job in New York or volunteering in the Dominican Republic, he struggles to suppress hedonistic urges and restructure awed philosophies. Although his attempts to gain control of his life are genuine, the question remains, Is Mitchell gradually gaining control or is his life slowly falling apart.
