THE PUBLIC SCHOOL SPELLER AND WORD-BOOK (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Public School Speller and Word-Book A Spelling-Book is a necessity. It should be used every day in every grade of school, keeping pace with advancing reading. No study is of more importance than this study of words. It includes enunciation, pronunciation, reading, conversation, writing, a knowledge of the meaning of words, and accuracy in using them. There are certain difficulties in spelling which are well known to be common and almost universal. So far as these difficulties are, or should be, in the pupil's vocabulary, it is surely better to meet them directly and persistently, than to wait for them to occur incidentally and at long intervals in general composition. What is needed is more teaching spelling, not merely spelling practice. A great many common words of one and two syllables are habitually mispronounced by pupils. Correct pronunciation is the basis of good reading. This foundation must be early laid and firmly established by persistent and systematic effort. Something more than mere telling is necessary to break up habits of mispronunciation. An easy, practical method of marking words so as to indicate their pronunciation can be learned and applied by very young children. Such a system is second only to the living teacher's voice, and in some respects it is its superior. By it the Eye is enabled to assist the Ear in determining whether or not the Lips perform their office properly.
