

The Whole Works of Dr Archibald Pitcairn, Published by Himself Wherein Are Discovered, the True Foundation and Principles of the Art of Physic with Cases and Observations Upon Most Distempers and Medicines Done

Filesize: 2.82 MB

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Erica Turcotte)

THE WHOLE WORKS OF DR ARCHIBALD PITCAIRN, PUBLISHED BY HIMSELF WHEREIN ARE DISCOVERED, THE TRUE FOUNDATION AND PRINCIPLES OF THE ART OF PHYSIC WITH CASES AND OBSERVATIONS UPON MOST DISTEMPERS AND MEDICINES DONE

Gale Ecco, Print Editions, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Medical theory and practice of the 1700s developed rapidly, as is evidenced by the extensive collection, which includes descriptions of diseases, their conditions, and treatments. Books on science and technology, agriculture, military technology, natural philosophy, even cookbooks, are all contained here.++++The below data was compiled from various identification fields in the bibliographic record of this title.
