Some things are best kept secret and the black box is one of them. Then one day it is found. When twins, Wills and Georgie, discover how to open the dusty, black box they step closer to unexpected danger. The box is more exciting than a fidget spinner, even one that flashes rainbow colours as it spins! Its seemingly mysterious properties draw them in, challenge them to solve problems find solutions, and lead them to uncover dark, life changing secrets. Not everyone shares their enthusiasm and some will stop at nothing to destroy the box before it reveals all. Are finders really keepers and who will listen to a couple of kids anyway? Can Will and Georgie keep their discoveries secret, the mysterious box safe and send a rescue mission into space? If you re a fan of intriguing gizmos, outdoor quests and exploring our solar system you ll love Wills and Georgie s unexpected adventure. C-KR-ITS is set in a dystopian state and full of real science. It is a sci-fi adventure story for 8 to 12 year olds.
