Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Drums of Jeopardy Away toward the far end Of the platform there appeared a shadowy patch in the fog. It grew and presently took upon itself the shape of a man. For one SO short and squat and thick his legs possessed remarkable agility, for he reached the street just as the other man stopped at the side of a taxicab. The fool! As if such a movement had not been anticipated. Sixteen thousand miles, always east ward, Ou horses, camels, donkeys, trains, and ships; down China to the sea, over that to San Francisco, thence across this bewildering stretch of cities and plains called the United States, always and ever toward New York - and the fool thought he could escape! Thought he was ?ying, when in truth he was being driven toward a wall in which there would be no breach! Behind and in front the net was closing. Up to this hour he had been extremely clever in avoiding contact. This was his first stupid act - thought the fog would serve as an impenetrable cloak. Meantime, the other man reached into the taxicab and awoke the sleeping chauffeur. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
