

## Changing the Universe: : By Changing Yourself (Paperback)

By Jesus Laplume

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I wrote this book partly because I listened to several others discuss how using Buddhist concepts had them enter a state of despair as to what happened when they tried to accept the world just as it is. That is only a small part way along on the journey to what the Buddha wanted us to go, but some of us do not appear to get the message. Recent Science certainly supports the bigger picture of how this universe, from all aspects ranging from the very, very small to the totality of the universe itself, support our being far from victims and certainly very powerful agents for change in this wonderful, amazing universe. We cannot change the universe directly because it is so very complex and so highly interconnected that our fiddling with one component might blow up many other processes. While we humans are rapidly evolving into Homo spiritus, the loving humans, from the thinking but fearful Homo sapiens, we do not (and never will) know enough to make direct changes and not mess things up very badly indeed. We...
