Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1918 edition. Excerpt: . DALMATIA, FIUME AND THE OTHER UNREDEEMED LANDS OF THE ADRIATIC1 All the unredeemed lands of the Adriatic coast have century-old Italian traditions dating back to their earliest Latin inhabitants. Even at Fiume, where until recent years, the Latin tradition seemed least certain, recent excavations have shown that the original seed, which later on had such a vigorous fruition, was sown by Rome. Geographically not only eastern Friuli and Istria as far as the old classic frontier of Arsa, but also Fiume and Dalmatia are Italian, for they are situated on this side of the watershed which divides the affluents of the Danube from those rivers which flow into the Adriatic. We shall briefly indicate further on how Italian is the civilization of these lands. Culture, geography, and history are the factors which detract from the purely numerical importance of statistics in those parts where they seem unfavorable to the Italians. But even statistics support Italian claims in a large portion of these unredeemed lands despite the systematic bad faith of the Government which compiled them. FRIULI, TRIESTE AND ISTRIA Geography.--The fact that these lands belong geographically to the Appenine Peninsula is not seriously disputed even by German geographers. The fact has been universally admitted for thousands of years. The mountains and hills which rise on the further side of the Isonzo cannot be said to constitute the geographical frontier of a region because the Isonzo, which in its upper stretches might seem to...
