The first section describes the basic knowledge of the animal. Flying in the sky, walking on the ground, swimming animals as large as elephants, small to protozoa, all won. Here you will understand the basic common sense of many animals, such as Leiothrix, Yuanyang love, these ancient and modern literary works often Acura symbol of love birds really is such a thing do? All kinds of animals have different living habits, and why they will be vastly different. I believe many of which are unheard of knowledge will broaden the reader's perspective. Second section describes animals Gonzo. Each animal as an independent individual survival in the natural world, and its performance is also colorful. The behavior of some animals is incredible, such as Swallow the benefactor martyrdom tomb, a fascination News Feeds White Goose, eat iron bird and so on. Some great help animals to humans, such as testing the waters birds, milkman birds. Even more touching, some animals of Goodwill, informed the Shigeyoshi, their behavior is simply beyond the human can, such as dog messenger, lion Shane. The third part is the fun animal stories. More realistic introduction before the two parts, this part is completely fictional animal stories. Here, the reader can appreciate the love and hatred between anthropomorphic...
