

The Ice Company (Paperback)

Filesize: 4.94 MB

Reviews

*An incredibly great book with perfect and lucid answers. Better than never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
(Nannie Lindgren Jr.)*

Black Coat Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Ice Company series is the sprawling saga of a future Earth in a new Ice Age. Mankind lives in domed cities, connected by extended rail networks, controlled by powerful companies which effectively rule the world. This new Ice Age was created when the Moon exploded and the resulting debris blocked all of the Sun's light. Civilization collapsed, and after several centuries of barbarism, the age of the Ice Companies eventually arose. For its scope, complexity, ambition and craftsmanship, The Ice Company ranks with such science fiction masterpieces as Foundation and Dune. It was first published in 1980 and won the 1982 French Science Fiction Grand Prize and the 1988 Apollo Award. This edition includes a bibliography of the series and detailed summaries of the first 34 volumes.
