Reviews

The publication is easy to read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at any time of your respective time (that's what catalogues are for about if you question me).

Chapters are devoted to such major figures as Epicurus, Lucretius, Cicero, Seneca, Plotinus, and Augustine. But in keeping with the motto of the series, the story is told without any gaps, providing an in-depth look at less familiar topics that remains suitable for the general reader.
