 Language: English . Brand New Book. When Maya and her family move to the countryside, strange things start to happen at night. Who is it that keeps tidying the house after everyone has gone to bed? While her parents don't believe her, Maya knows that there is a mysterious creature living in their new home. This unwanted resident gets very upset when it realizes it won't be getting the bowl of porridge it expects to receive in exchange for doing the housekeeping. As the furious creature wreaks havoc on the household, will Maya and her family find a way to resolve this situation, or will they have to leave their new home? A delightful story of magic and fantasy, Che Golden's The Porridge Plot is also a touching portrayal of family life, which emphasizes the importance of love and togetherness.
