Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A liberal feminist text. Rather than considering what is appropriate masculine or feminine behaviour, we should investigate what it is to be human. Charlotte Perkins Gilman (July 3, 1860 - August 17, 1935) was a prominent American sociologist, novelist, writer of short stories, poetry, and non fiction, and a lecturer for social reform. She was a utopian feminist during a time when her accomplishments were exceptional for women, and she served as a role model for future generations of feminists because of her unorthodox concepts and lifestyle. Her best remembered work today is her semi-autobiographical short story, The Yellow Wallpaper, which she wrote after a severe bout of post-partum depression.
