Reviews

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.
(Prof. Jedediah Kuhic DVM)

Simon Schuster Books for Young Readers, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. A steampunk princess is torn between love and duty in this prequel to s wildly popular webisodes. Riese has never been happy as a princess; she d much rather be hunting or fighting than sitting through another lesson on court etiquette. When she meets Micah, a wandering artist with a mysterious past, she pretends to be a peasant--it s a chance to be just a normal girl with a normal boy for a while. But with war decimating her once-proud nation and the sinister clockwork Sect infiltrating her mother s court, Riese s moments with Micah are the only islands of sanity left in a world gone mad. As her kingdom falls and the Sect grows ever stronger, will Riese remain true to her duty as a princess.or risk everything on a boy she barely knows? SyFy s enormously popular Riese webisodes come to literary life in this prequel rife with steampunk technology and medieval mysticism.
